

FLL CITY SHAPER PRACTICE

CITY SHAPER

Prepare for your first FLL Qualifying Tournament!

Are you and your team nervous about the tournament? Is your team asking questions you don't know the answer to? Join Chantilly Robotics on October 19th where you will:

- Get feedback on your project by experts in the field
- Learn the robot scoring system
- Participate in a Core Values activity similar to what you will see during competition
- Learn more about robotics in our workshop and drive Rico, our winning robot!

Signups are to begin mid-September! For more information please email:
