

# YOU'RE INVITED.

Join us for a morning of problem solving during FLL Work Day!

**Saturday, Oct. 12, from 10 a.m.-12 p.m. at  
Norfolk Collegiate middle school  
7336 Granby St, Norfolk.**

Robot not built? Missions not working? Way behind on your project? We're in this together. Join us for a day of catching up, collaborating and thinking critically. Participate in a Core Values challenge, share project ideas and get robot tips!

Coaches, students and parents are welcome. Bring any equipment needed to succeed.

No matter how far behind you think you are, this is the day for you. Together we can make it through this!

Kindly RSVP to Claire Fornsel at [cfornsel@norfolkcollegiate.org](mailto:cfornsel@norfolkcollegiate.org) by Thursday, Oct. 10.
