

Join the fun!

FIRST[®] LEGO[®] League

INFO MEETING

When: Tuesday, May 17, 2016, 6:00-7:00 p.m.

Where: Northside Library's Large Meeting Room

What is the FIRST LEGO League?

Join thousands of teams across the world in this exciting “sport for the mind.” The FIRST LEGO League introduces elementary and middle school students ages 9-14 to real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface & through a research project. This year’s theme is Animal Allies and the season runs primarily in the Fall. Anyone can start a team -- schools, girl scout/boy scout troops, boys & girls clubs or just a group of friends! Come find out how!

What FLL teams accomplish is nothing short of amazing!

It’s fun. It’s exciting. And the skills they learn will last a lifetime.

Meeting hosted by the Ancient Androids FLL Team of Charlottesville.
